

LOVELAND HIGH SCHOOL BANDS

Instrumental Music Department
920 W 29th Street
Loveland, CO 80538
Kyle Freesen, Director of Bands, Dept. Chair

Hello Crimson Regiment Families,

Plans are in full swing for the Crimson Regiment to perform at the Regional BOA competition in St. George Utah on October 31st. The Crimson Regiment would love for you to come and support them on this National stage. Hotel space in St. George is limited, so book your room early.

The Loveland High School Band Boosters is able to make this trip a reality without any fee increases due to the hard work of all band members and parents/guardians participating in fundraising activities. In order to support this trip, we count on every family to pay band fees on time and to continue your great fundraising efforts during the FULL school year. Many of our fundraisers offer grant contributions, which help reduce your fees (scrip, grocery cards, many individual fundraisers, etc.) and these grant contributions do continue to accrue and will carry over to the next year. If you have questions about ways to reduce your student's fees through fundraising, please contact Missy Foss and Michel Meador via email at fundraising@lovelandband.org.

The BOA Competition has been on the schedule since January 2015 and we need EVERY student member of the Crimson Regiment for this amazing opportunity. We are an awesome TEAM and you are all an important piece of the success that we always achieve. It is such an honor to see the hard work, commitment, and dedication that you all have. Thank you so much!

We have some preliminary information that will help in your planning of this trip. We will provide a firmer schedule as soon as we receive more information (please see information on the next page). If you have any questions, please contact Mr. Freesen, Ms. Singer or one of your Band Boosters Board Members, <https://www.lovelandband.org/band-boosters/boosters-board-committees/>.

Thank you,

Missy Foss- VP for Events-based Fundraising
