Kyle Freesen, Director of Bands, Dept. Chair

Dear Friend,

I would like to thank you for considering sponsorship of Loveland High School Bands!

To summarize our bands program is to simply say that we are awesome! Our bands are recognized nationally as a part of a world-class, award-winning high school music program. Please help us keep being awesome. The success of the Loveland Bands Program takes hours upon hours of time from dedicated students, instructors, and committed volunteers. It also takes significant financial support from fundraising and donations.

High school arts programs across the state are facing reduced budgets and lack of state funding support. Our program requires annual financial support for musical instrument equipment and repairs, marching uniforms and concert wear, sheet music, transportation to performances and competitions, and instruction costs. The Thompson R2-J School District funds just over 20% of the LHS Bands' yearly expenses – with the rest of the funds raised through fundraising.

Please help us achieve our goal of being one of the premier band programs in the country. Through your generous support, the LHS Bands will continue to represent the Loveland community with honor, pride, and excellence at local, state and national competitions, and events.

Partner with us as we march toward the future!

Mr. Kyle Freesen
Director of Bands, Loveland High School

LHS BAND BOOSTERS

The Loveland High School Band Boosters is a non-profit 501(c)(3) organization, whose mission is to provide logistics, moral and financial support to the LHS bands. We support the LHS bands curriculum classes as well as extracurricular activities such as the Crimson Regiment, Jazz Bands, Wind Symphony, Symphonic and Concert Band, and the Loveland Winter Guard.

We raise money to purchase musical instruments and pay for repairs, marching uniforms and concert wear, sheet music, transportation to performances and competitions, and instruction costs. Our fundraising goal for this year is \$85,000.

We work closely with the band directors, school administration, and the Thompson R2-J Board of Education so that the band program at Loveland High School can be maintained at the highest standards of excellence.
